

CEDAR CHEST SUFFOCATIONS

10 Fatalities

Lane/Virginia Maid

The U.S. Consumer Product Safety Commission is aware of 10 fatalities when children were trapped inside a Lane or Virginia Made cedar chest. The Lane Company has recalled all cedar chests manufactured between 1912 and 1987. The company will supply a free, easy to install replacement latch. If you have a Lane cedar chest, obtain the serial and style numbers from the bottom or back of the chest and contact Lane toll-free at (888) 856-8758 or www.lanefurniture.com.
